Virtual Internship in Generative AI

Follow these step-by-step instructions to access the Generative AI Virtual Internship Hub!

STEP 1: Click the below link to access the **Generative AI Virtual Internship Hub**. This is your destination for all Generative AI internship details, communication and learning material. **If you have registered for an internship in a domain other than Generative AI, please refer to the specific guide for that domain.**

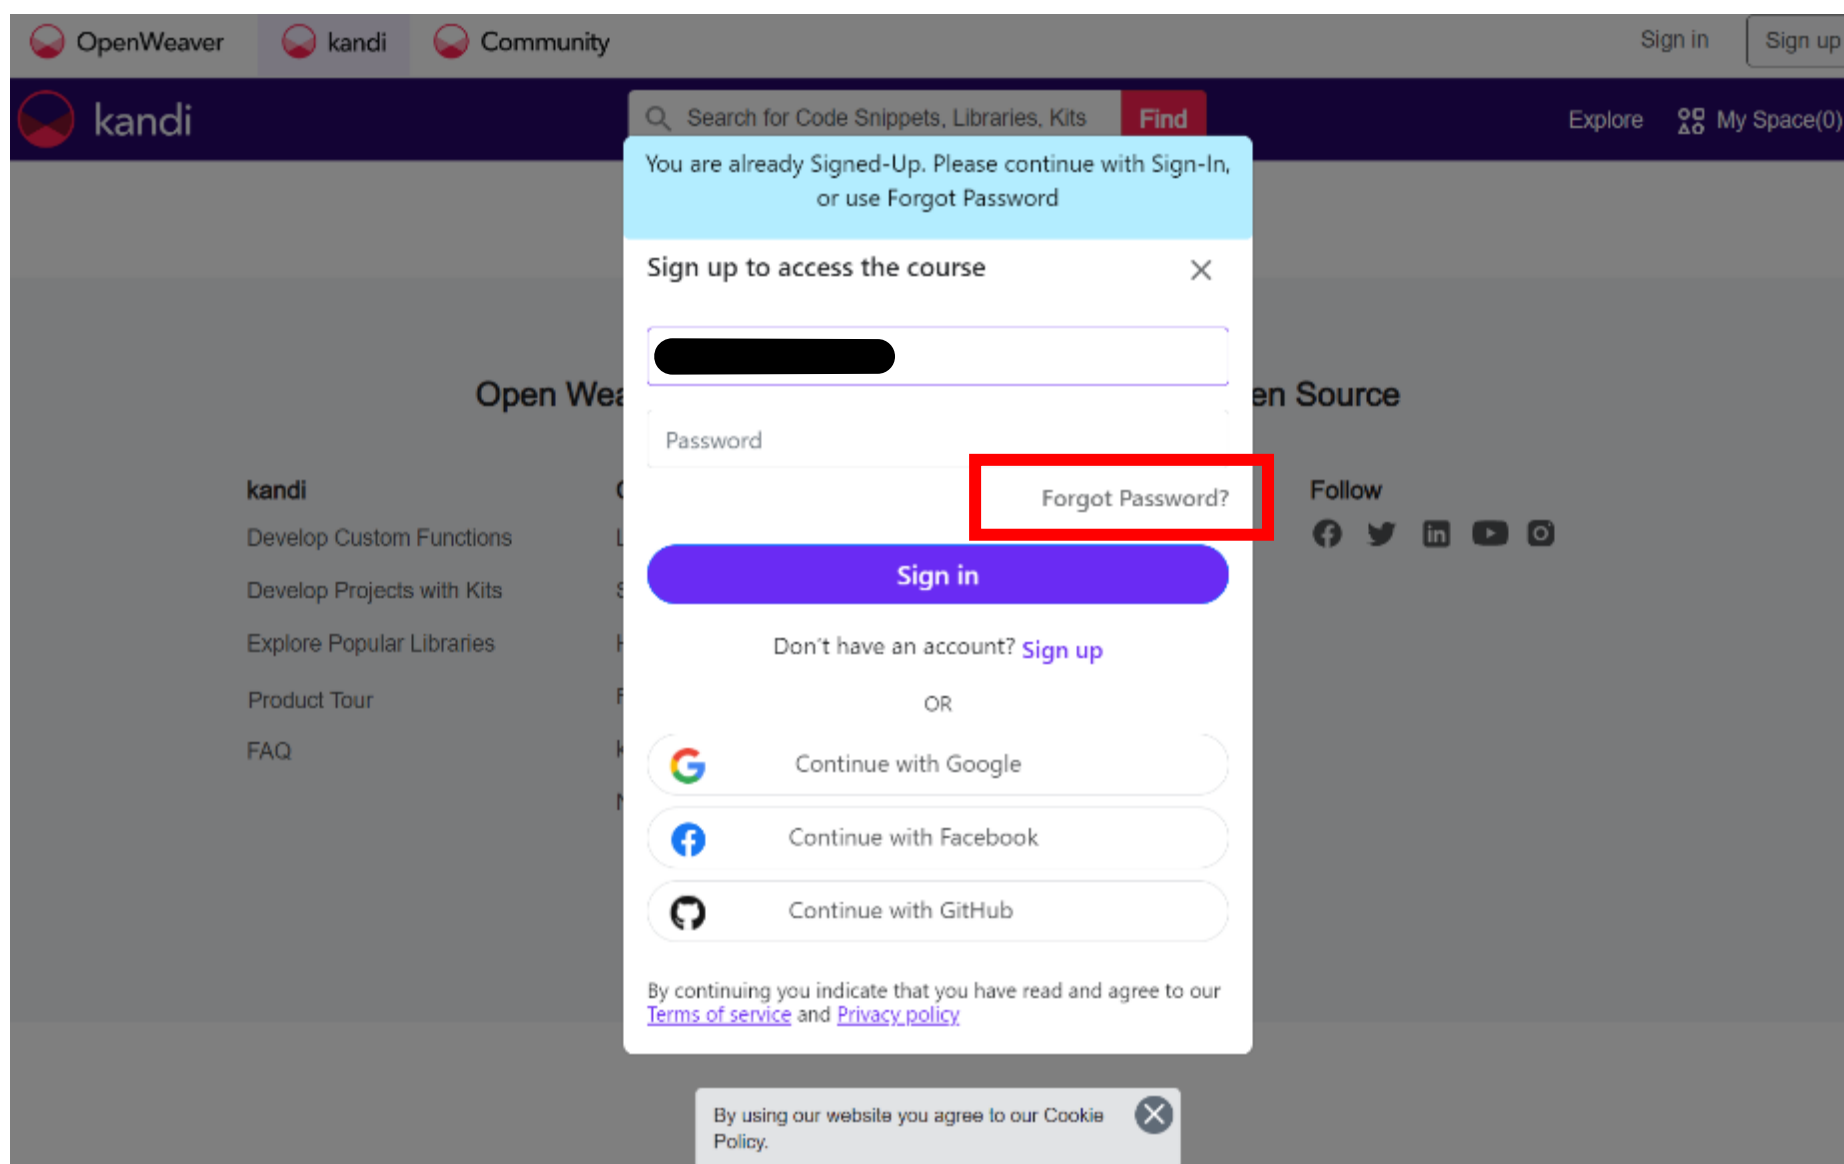

**CLICK HERE!!
GENERATIVE AI
VIRTUAL INTERNSHIP HUB**

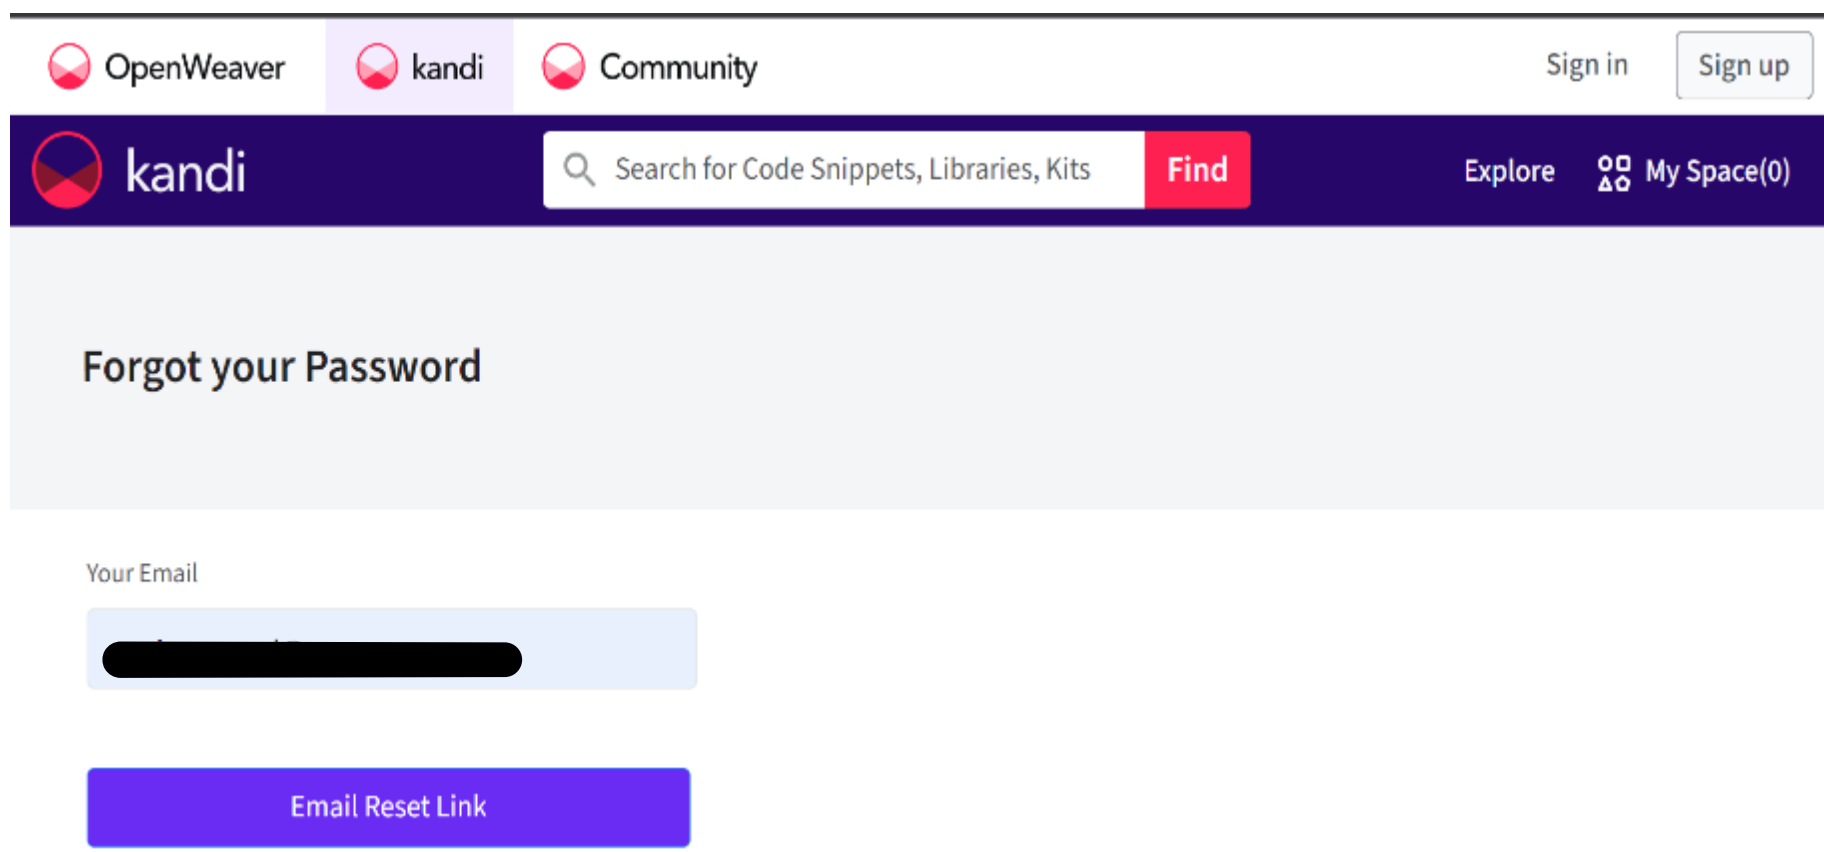

STEP 2: You will be prompted to SIGN UP/SIGN IN. **Sign up using ONLY the email address you used to register for this program. Your attendance in the program will not be recorded if you use a different email address to sign up/sign in.**

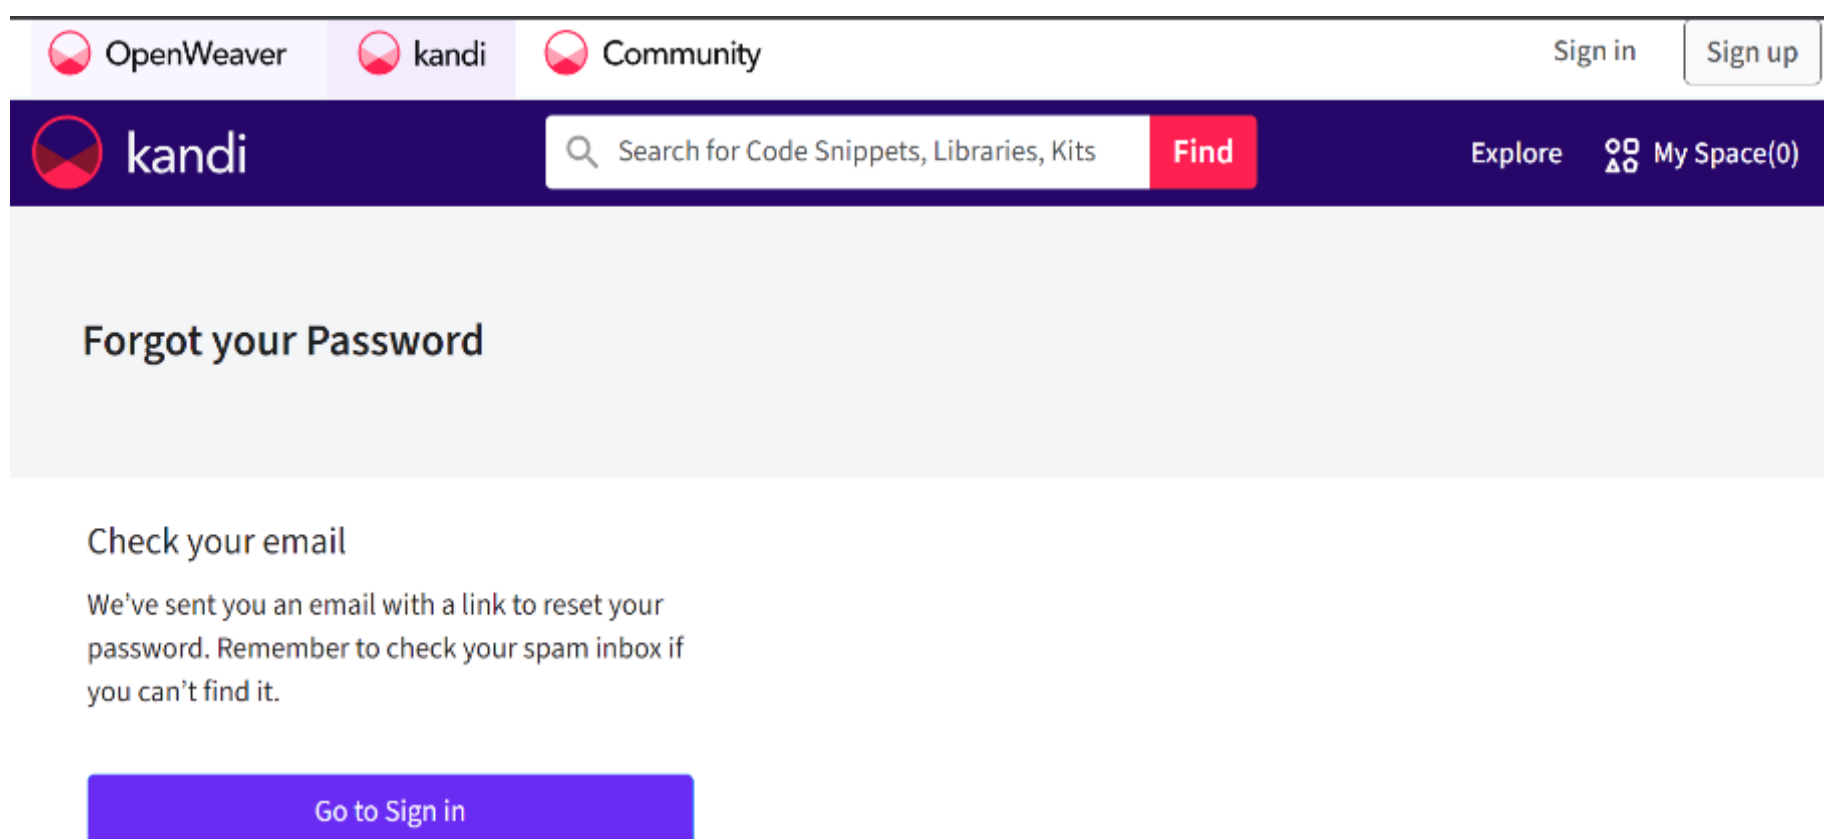

STEP 3: As we have already provided your registered email address exclusive access to your Virtual Internship Hub, you will be prompted to **Sign In** by resetting your password. To reset your password, click on **Forgot Password**.

STEP 4: Enter your registered email address and click on **‘Email Reset Link’**. A password reset link will be sent to your registered email address.

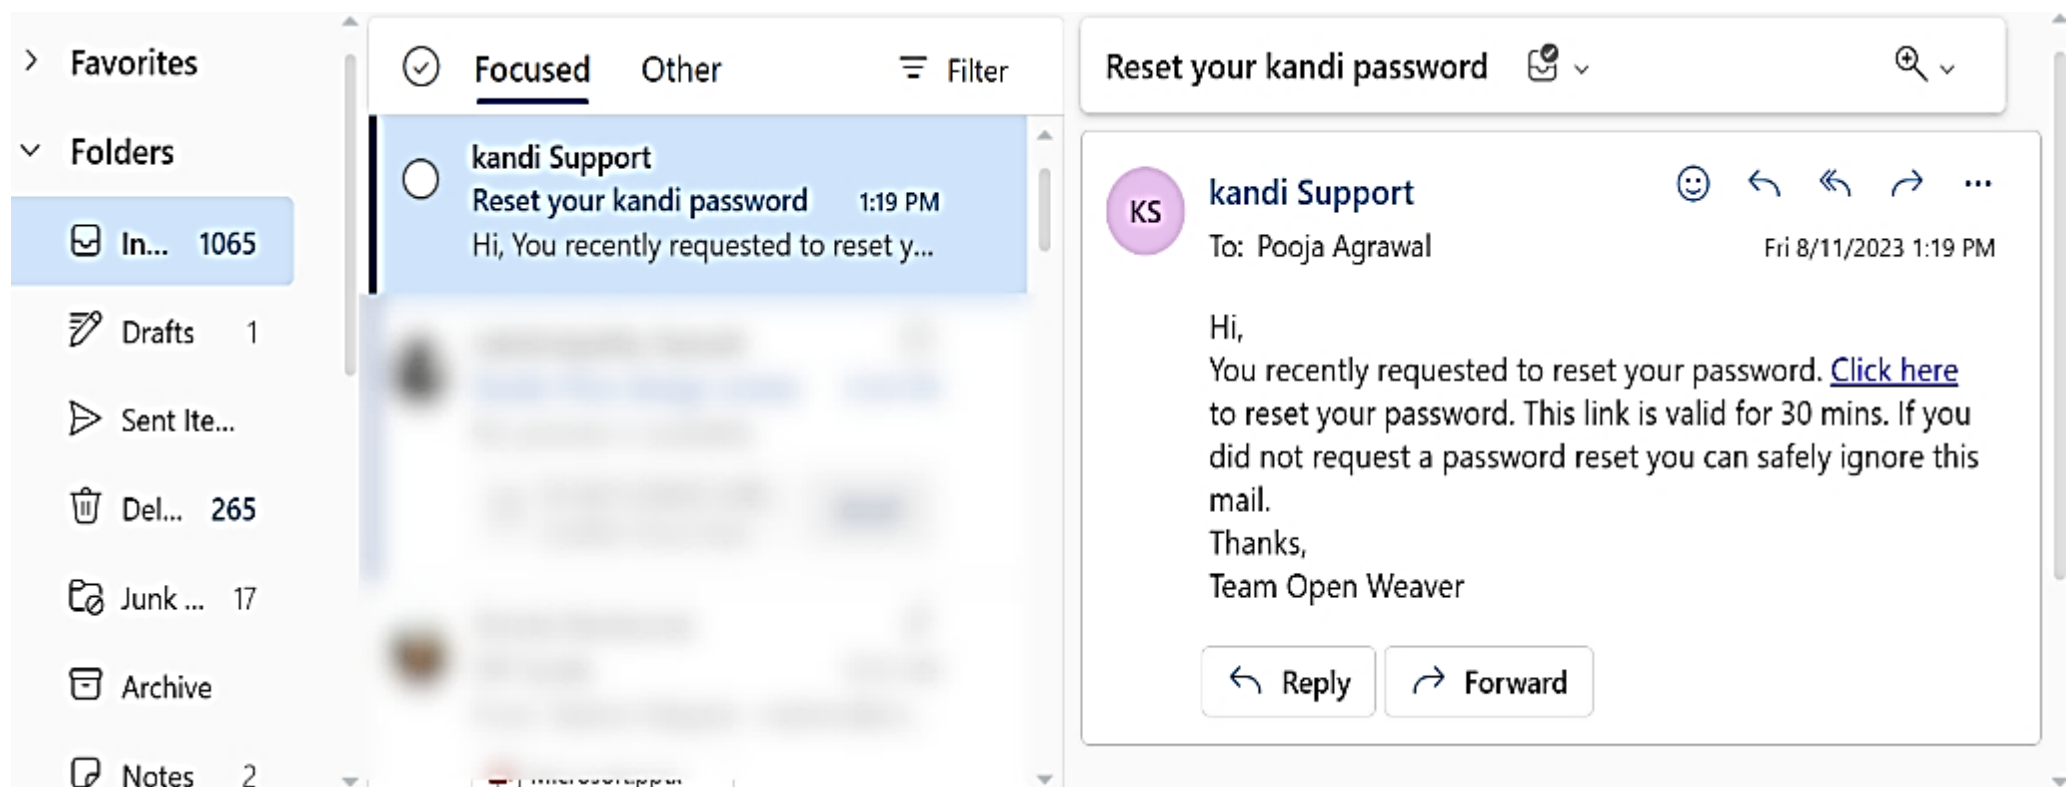

The screenshot shows the 'Forgot your Password' page on the kandi website. At the top, there is a navigation bar with 'OpenWeaver', 'kandi', and 'Community' tabs, and 'Sign in' and 'Sign up' buttons. Below the navigation bar is a search bar with the text 'Search for Code Snippets, Libraries, Kits' and a 'Find' button. The main heading is 'Forgot your Password'. Below this, there is a label 'Your Email' and a text input field containing a redacted email address. A blue button labeled 'Email Reset Link' is positioned below the input field.

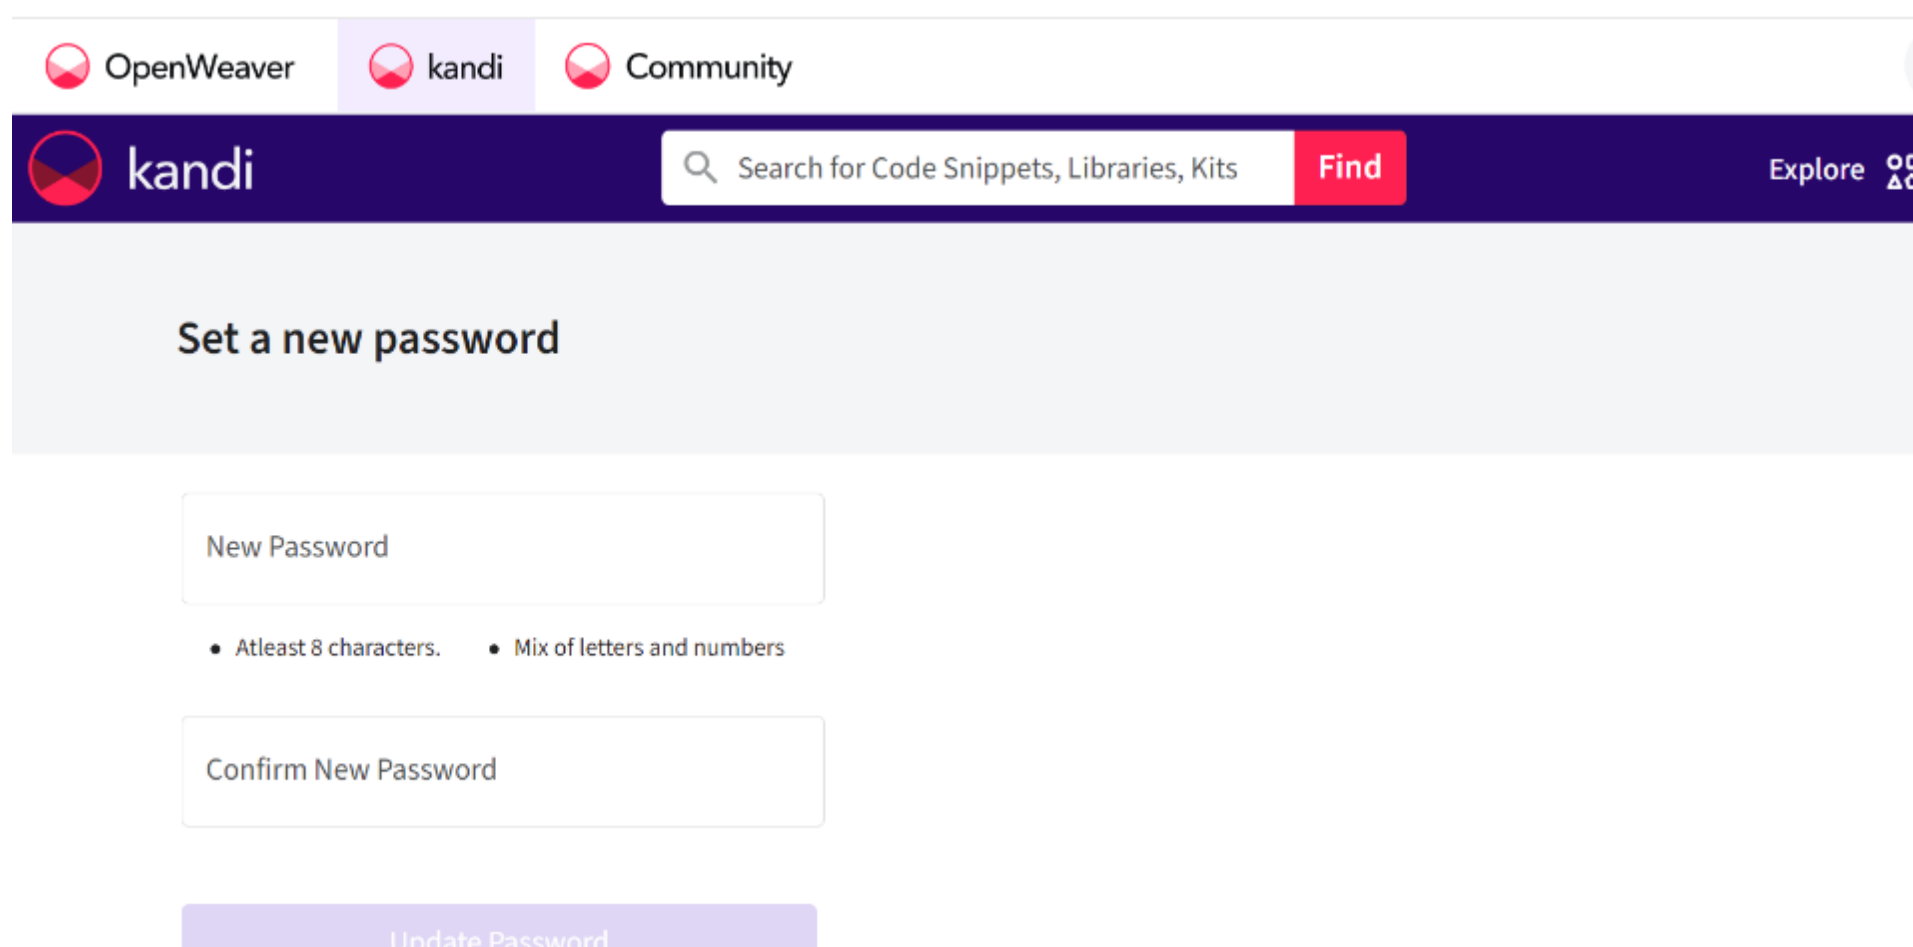

The screenshot shows the 'Forgot your Password' page on the kandi website, displaying a confirmation message. The navigation bar and search bar are identical to the previous screenshot. The main heading is 'Forgot your Password'. Below this, there is a section titled 'Check your email' with the text: 'We've sent you an email with a link to reset your password. Remember to check your spam inbox if you can't find it.' A blue button labeled 'Go to Sign in' is positioned below the text.

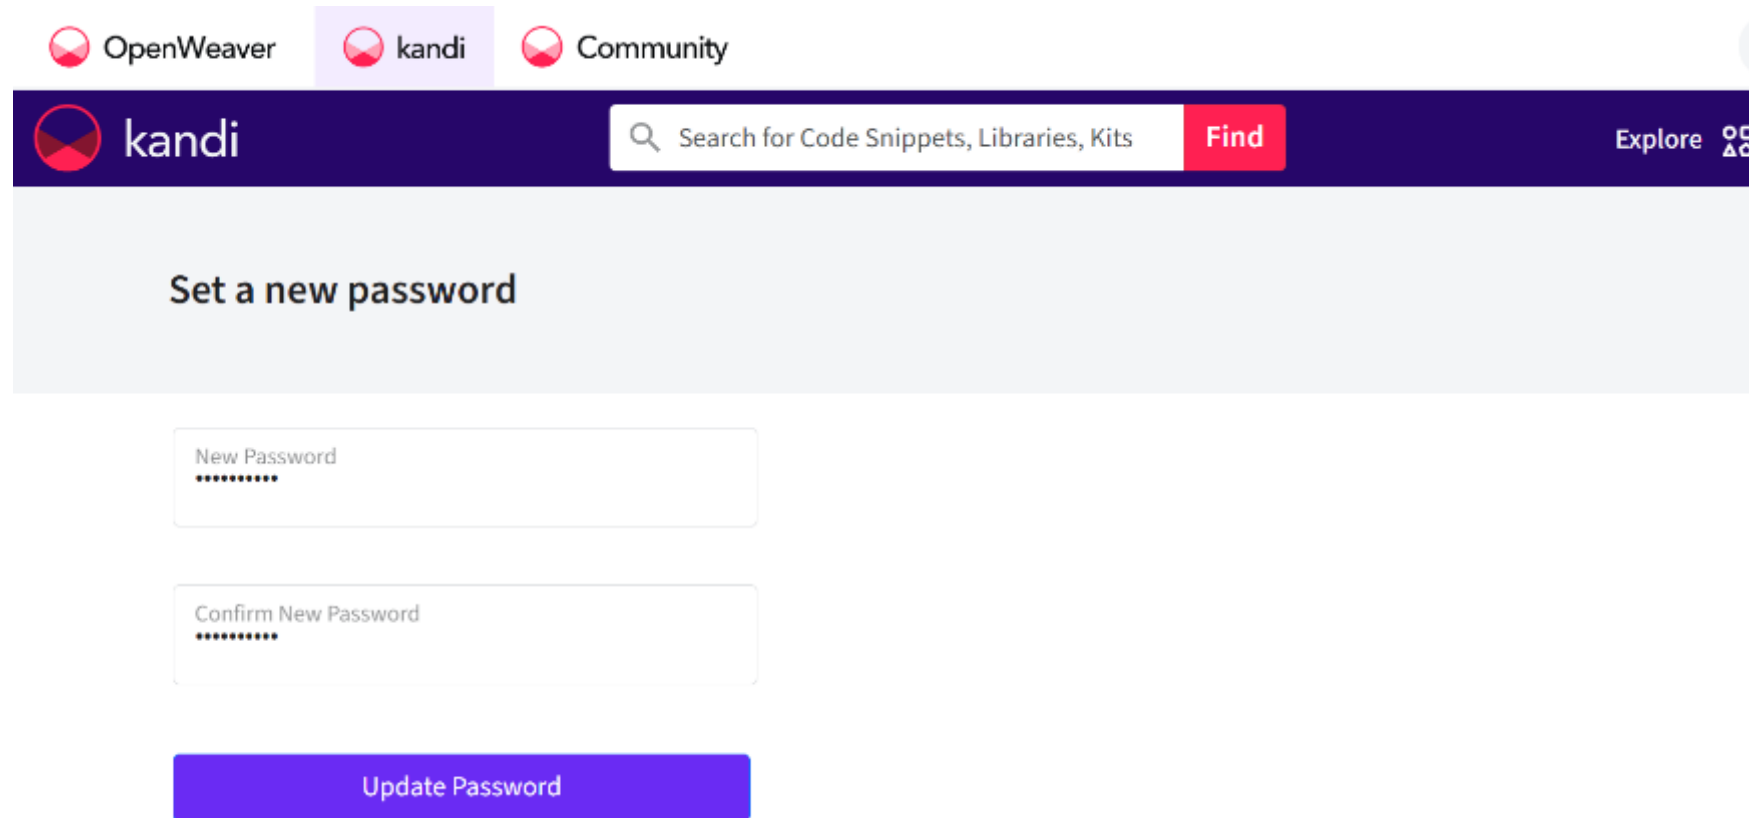

STEP 5: Check your email – you would have received an email from **kandi Support** with a password reset link. Check your spam folder if you are unable to find the email in your inbox.

STEP 6: On clicking the link, you will be prompted to **set a new password**. Set a new password with a minimum of 8 characters having a mix of letters and numbers.

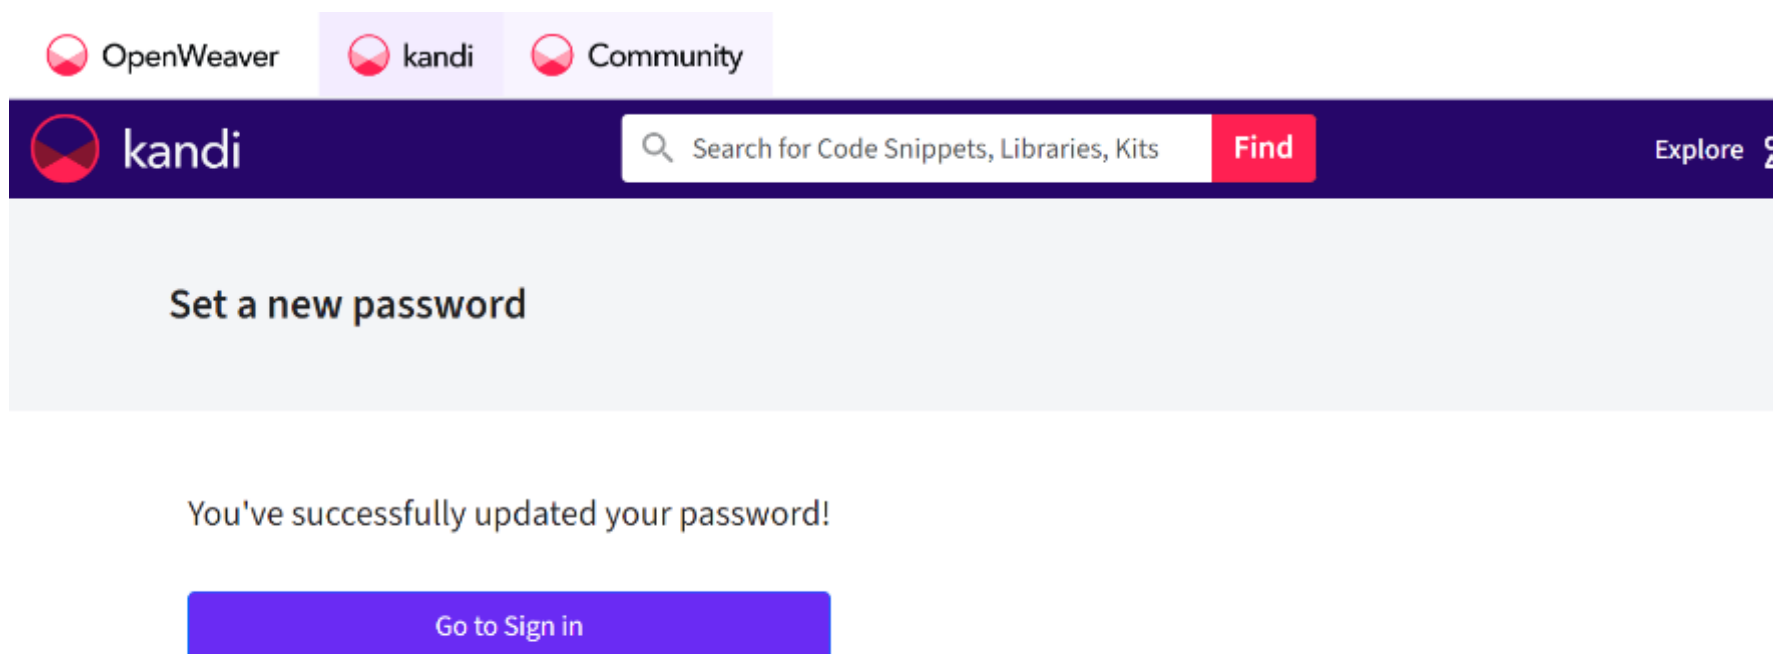

STEP 7: Enter and confirm your new password and click on **Update Password**. You should see a message confirming your password has been successfully updated.

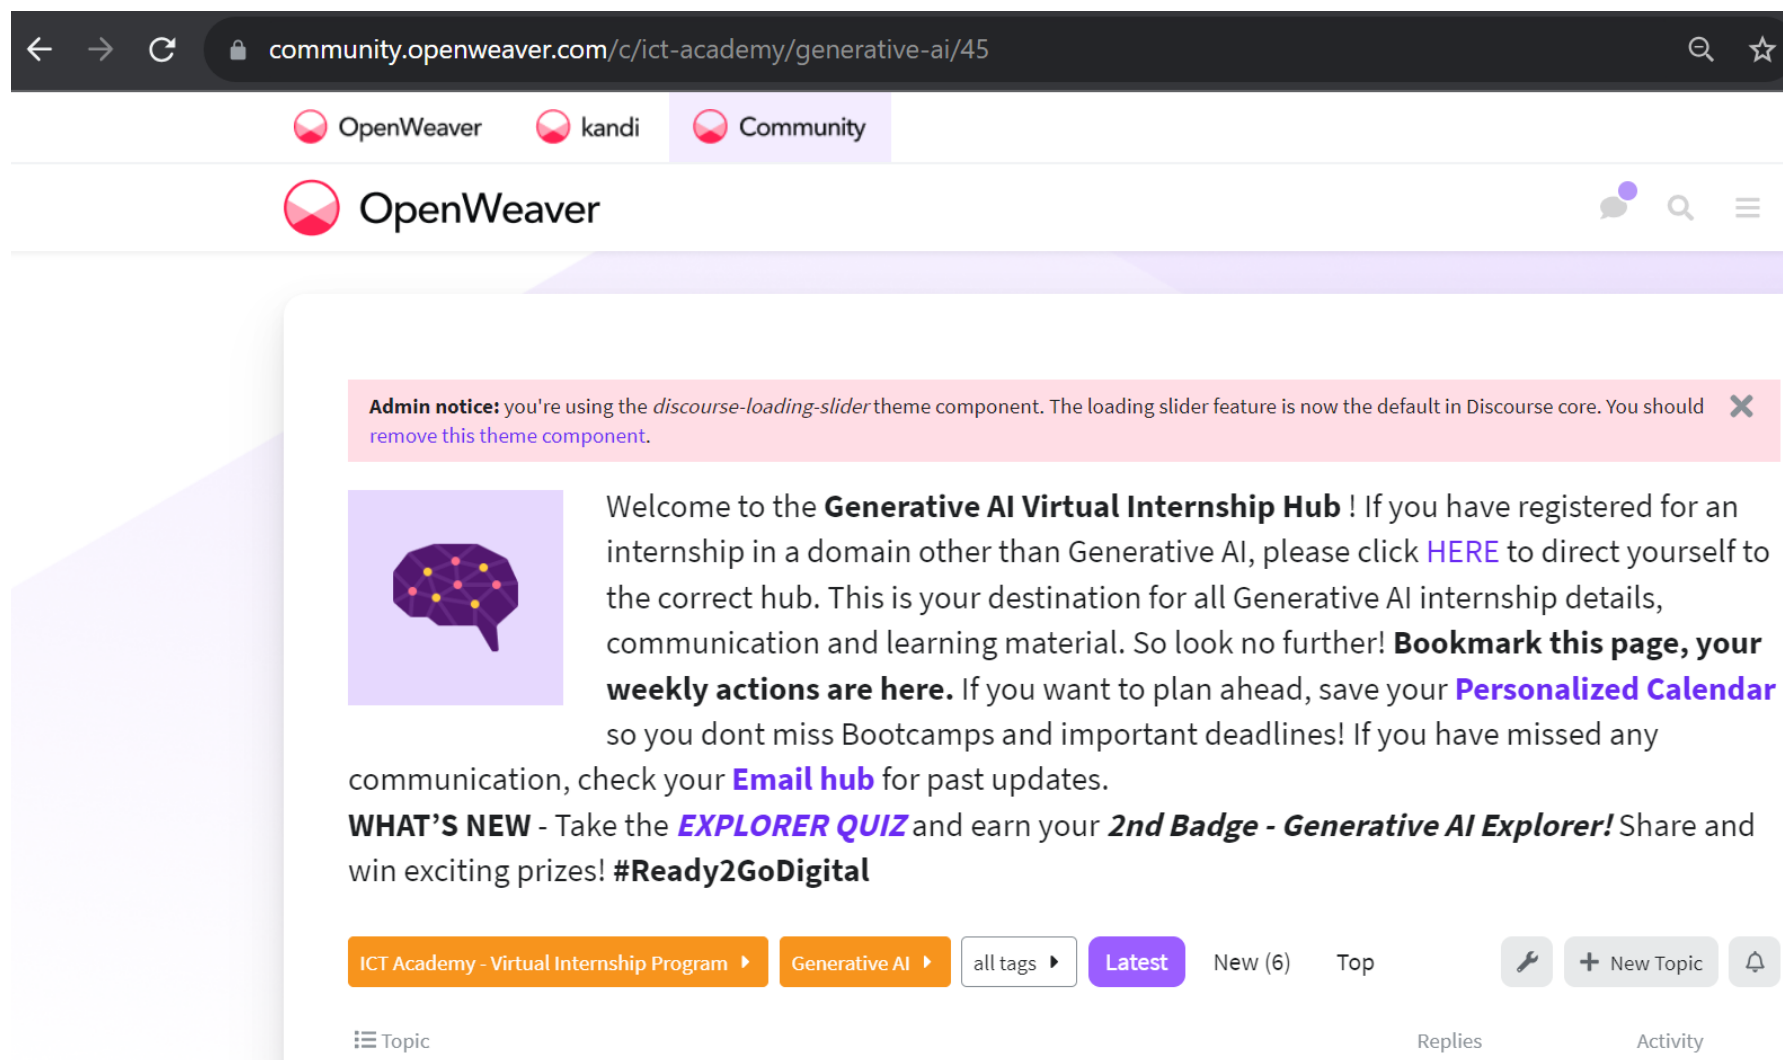

The screenshot shows the 'Set a new password' form on the kandi website. The navigation bar at the top includes 'OpenWeaver', 'kandi', and 'Community' tabs. The kandi logo is on the left, and a search bar with the text 'Search for Code Snippets, Libraries, Kits' and a 'Find' button is on the right. The main content area is titled 'Set a new password' and contains two input fields: 'New Password' and 'Confirm New Password', both with masked characters. A blue 'Update Password' button is positioned below the fields.

STEP 8: Go ahead and sign in using your registered email address and the new password you just set.

The screenshot shows the 'Set a new password' form on the kandi website after a successful password update. The navigation bar and search bar are the same as in the previous screenshot. The main content area is titled 'Set a new password' and displays a success message: 'You've successfully updated your password!'. Below the message is a blue 'Go to Sign in' button.

STEP 9: On signing in, you will have access to your **Generative AI Virtual Internship Hub!** This is your destination for all Generative AI internship details, communication and learning material. So, look no further!

STEP 10 : BOOKMARK this page! Attend live bootcamps, participate in exciting quizzes, complete your coding projects and collect and showcase your BADGES all through!

ALL THE BEST!
